

Welcome to Eprotos.com help section. We hope this helps you to obtain a quote. If you still need further assistance, please feel free to give us a call 847-439-5447 or simply email your gerber files to us sales@eprotos.com for a quotation.

Page 1 of 5

The screenshot shows the Eprotos.com website homepage. The browser window title is "E-protos: printed circuit boards - Mozilla Firefox". The address bar shows "http://www.eprotos.com/home.asp". The website header includes the Eprotos.com logo with the tagline "Electronic protos at Light speed ! prototype or production" and a large banner for "PROTOS & PRODUCTION". A navigation menu on the left lists: HOME, ABOUT US, CAPABILITIES, TERMS & CONDITIONS, CONTACT US, QUOTE/ORDER, QUOTE RECALL, REPEAT ORDER, CHECK STATUS, USER OPTION, and UPLOAD FILES. The main content area is titled "HOME" and features a welcome message from Precision Technologies, Inc., describing their services in fine line printed circuit boards. A "CLICK HERE TO CHAT WITH US" button is present. Below this, there are "Special Offers" including 1-day specials, free tooling/testing, and a price match guarantee. A list of promotional items includes: Click on Guest-Login to get a quote or Send File now, Low Prices on Production run, Register Now and Save even more, Special Low Prices on 3-Day Turn-around, New Customers get up to \$200.00 OFF your first order, Free DFM (Design Rule Check) on every job, and Our "1-Day Turn" means "Same day shipping". A login section at the bottom left includes fields for Username and Password, a LOGIN button, a GUEST LOGIN button, and a link for "Forgot your password?". The Windows taskbar at the bottom shows the Start button, several open applications (E-protos: printed cir..., Document2 - Microsoft Word), and the system tray with the time 11:40 AM.

Please register yourself by clicking on Register Now link above and you will receive a temporary password by email. Otherwise follow this demonstration for obtaining a quotation.

1. Please click the “**Guest Login**” button to login the system first.

The screenshot shows a Mozilla Firefox browser window displaying the E-protos website. The browser's address bar shows the URL <http://www.eprotos.com/body.asp>. The website header includes the E-protos logo and the text "On Time Delivery Better quality Better service". A navigation menu on the left lists: HOME, ABOUT US, CAPABILITIES, TERMS & CONDITIONS, CONTACT US, QUOTE/ORDER, QUOTE RECALL, REPEAT ORDER, CHECK STATUS, USER OPTION, and UPLOAD FILES. The main content area features a "HOME" heading, a welcome message for "Eprotos Guest", the E-protos logo, and a paragraph stating: "Precision Technologies, where Service, Quality & your satisfaction is our first priority. Following steps will help you get a quote and place an order." This is followed by a five-step process: 1. Click on Quote/Order. 2. Enter board specification & click on "Get Quote" button below. 3. Click on the Unit price as desired. 4. Enter shipping & payment details. 5. Preview your order and submit it. Below this, there is a link to "Online Quote-Order, Quote-Recall, place Repeat Order or just Check Status on an existing order." and a contact email techsupport@eprotos.com. The footer of the page says "Thank you! The Eprotos Team". The browser's taskbar at the bottom shows the Start button, several icons, and open applications including "E-protos: Welcome, E..." and "Document2 - Microsoft Word". The system clock shows 11:42 AM.

2. Click on “**Quote/Order**” on the left panel or the text link above.
